## Child Care Support When You Need to Be at Work

NYC Health + Hospitals is offering child care support (ages 0-12 years), during the COVID-19 outbreak, to help employees find:

- Full-time child care in a **Bright Horizons® center**.
- **At-home** child care services with screened child care providers.

Child care services will **begin April 15<sup>th</sup>** and **are free** to NYC Health + Hospitals' workforce (employees, affiliate and temporary staff) during the emergency response.

**Apply now** by completing the [Childcare Application Form](#). Once you apply, you will receive an email confirmation (as early as April 13), and instructions on what you need to do to access services beginning April 15<sup>th</sup>.

### Questions? We have Answers.

- Email the [ChildCareServices@nychhc.org](mailto:ChildCareServices@nychhc.org)
- Call the COVID19-CHILDCARE-HOTLINE (646-694-5100)
- **Visit the [Employee Resource Center](#)** home page to **learn more** about the family resources available.

## Need Services Right Now?

Employees have free access to [Sittercity.com](https://www.sittercity.com), a database to find child care providers in their neighborhood. Employees are responsible for covering the costs of services offered through the Sittercity website.
