TO: FOOD SERVICE MANAGERS AND SUPERVISORS

Dear Sisters and Brothers:

This will advise you of the extra compensation to be received by food service managers/supervisors who are required to work on April 9 and 10, as well as the following week. If working, you will each receive four (4) annual leave days in addition to your regular compensation.

Central-based members who are off on April 9 and 10 and are required to work next week will receive two sick days or two annual leave days, at the employee's option.

The circumstances under which our members have been asked to work are difficult to say the least. In current emergency conditions, no amount of extra compensation could measure what they've been asked to do. But there will be better days, in which we can remind all concerned of the Local 237 members who came out to serve while others were safe and secure in their homes.

Fraternally,

Gregory Floyd
President, Local 237
